## Jubileumcocktail

Uttrycket Cloud Nine började användas på 1900-talet och betyder att vara i ett tillstånd av extrem lycka eller eufori. En jubileumcocktail som öppnar friskt och sprudlande, för att landa i en rund, varm avslutning.

\*\*\*

*The expression "cloud nine" emerged in the early 20th century and signifies a state of extreme happiness or euphoria. An anniversary cocktail that opens fresh and sparkling, then settles into a round, warm finish*
